#### How to get a rate quote:

Go to [www.fedex.com/ratefinder](http://www.fedex.com/ratefinder)

use **77573** for the 'From' zip code

enter your zip code in the 'To' zip code box

Check '**This is a residential address**' if it being shipped to a residence

Enter the number of packages

Enter the weight from the above table (note: we try to keep boxes at 60 lb or less)

In the 'Pickup/dropoff' dialog box, select '**Drop off at fedex location**'

Select the '**Get quick quote**' at the bottom for your estimate

We will ship FedEx ground unless otherwise instructed

**The actual weight will be used - this is only an estimate**
